TOUGHPAD FZ-Q1

- Semi-rugged Fanless Design for Dust and Dirt Resistance
- Optional Attachable Backlit Keyboard with Handle
- Optional 4G LTE Multi Carrier Mobile Broadband with Satellite GPS
- Optional Insertable and Contactless SmartCard Readers
- Serviceable SSD and Long Life Battery¹
- Stable Product Life Cycle Ideal for Long Term Deployments and Custom Development
- 3 Year Warranty with Business Class Support

12.5" SEMI-RUGGED WINDOWS® TABLET WITH A CHOICE OF TWO INTEL® PROCESSORS.

The Panasonic Toughpad® FZ-Q1 is a semi-rugged tablet specifically designed for working away from the traditional office setting. Featuring shock-absorbing technology, a serviceable-battery, fanless, magnesium chassis, three-year warranty and resistance to dust and dirt giving it the durability and lower total cost of ownership you need. And as the only tablet in its class with an optional 4G LTE multi carrier modem with satellite GPS built in, it's ready to go wherever your job takes you.

Please consult your reseller or Panasonic representative before purchasing.

¹ The Toughpad FZ-Q1 battery and SSD are serviceable by trained and authorized professionals only. Please contact a Panasonic representative for program details.

² 1GB = 1,000,000,000 bytes.

³ Total usable memory will be less depending upon actual system configuration.

⁴ Approximate time. Battery performance features such as charge time and life span can vary according to the conditions under which the computer and battery are used. Battery operation and recharge times will vary based on many factors, including screen brightness, applications, features, power management, battery conditioning and other customer preferences. Battery testing results from MobileMark 2007.

⁵ Requires software and activation to enable theft protection.

⁶ Accessories and Integrated Options may vary depending on your configuration. Visit Panasonic website for more accessories and details.
