TOUGHPAD 4K TABLET

- The world's only 4K tablet plus portable on-set 4K monitor
- An amazing 230ppi resolution (3840 x 2560)
- Accurate and lifelike with 16.8 million colors
- A 20" tablet that weighs as little as 5.2 lbs. and is 0.5" thin
- Intel® Core™ i5 or i7 vPro™ with dedicated NVIDIA® graphics
- Optional optical pen for easy drawing and markup with high precision

EXPAND YOUR RESOLUTION AND YOUR BUSINESS POTENTIAL

Introducing the latest Panasonic Toughpad® 4K tablet, the highest* resolution mobile PC in production with nearly 10 million pixels—all in a portable, lightweight 20" tablet. The Toughpad 4K tablet is a business-rugged tablet that breaks new ground in digital viewing with better than ultra HD resolution. With an Intel® Core™ i5 or i7 vPro™ processor, available NVIDIA® discrete graphics or HDMI 2.0 In, Windows® 8.1 Pro and a 256GB SSD, the Toughpad 4K tablet provides performance, security, expandability and flexibility. And for collaborative working, experience 10-point multi touch, an optional optical pen and 176° viewing angles with its sharp IPS alpha display. The Toughpad 4K tablet has a magnesium alloy frame and glass fiber reinforced case and can handle up to a 30" drop¹. With this kind of power and visual clarity, it's a whole new way to do business.

*As of April 2015.

Please consult your reseller or Panasonic representative before purchasing.

Caution: Do not expose bare skin to this product when handling this unit in extreme hot or cold environments.

¹Drop rating will vary and is not guaranteed.

²1GB = 1,000,000,000 bytes.

³Total usable memory will be less depending upon actual system configuration.

⁴Approximate time. Battery performance features such as charge time and life span can vary according to the conditions under which the computer and battery are used. Battery operation and recharge times will vary based on many factors, including screen brightness, applications, features, power management, battery conditioning and other customer preferences. Battery testing results from MobileMark 2007.

⁵Requires software and activation to enable theft protection.

⁶Accessories may vary depending on your configuration. Visit Panasonic website for more accessories and details.
