

KV-S1026C vs KV-S1026C-MKII ENHANCEMENTS

The KV-S1026C-MKII is the latest compact desktop scanner available from Panasonic. Based on the original high performance design of the KV-S1026C and our existing customers feedback, Panasonic has created the KV-S1026C-MKII which includes an updated outer design, improved media handling and productivity enhancements.
