LIVECTRL

iPAD APP FOR PANASONIC PRO PTZ CAMERAS

Introducing the powerful, new LiveCTRL iPad app, the perfect companion to Panasonic PRO PTZ Cameras. The LiveCTRL app provides users with single camera control at its most basic and free tier, and offers multi-camera control, switching, livestreaming, recording, and graphic overlay options through in-app purchase offerings. With the LiveCTRL app, professional multi-camera livestreaming/recording is made simple & affordable, allowing users to bring impressive content to their audience without the need for a lot of equipment or a large production crew.
