

AK-HRP1000 Update Version 5.10-00-0.00

Supports Direct VFR Mode on VariCam LT

VFR ON/OFF via VF Power Button

Newly added HRP1000 function adds direct VFR ON/OFF (VFR = Variable Frame Rates) for the VariCam LT. Note: VFR mode is not possible in 1080i system mode. Only progressive system modes support VFR.
