

PANASONIC PROSERVICES FIELD ENGINEERING

EXPERTS DEDICATED TO YOUR BUSINESS

PART OF YOUR TECHNOLOGY TEAM

Our field engineers provide hands-on, expert services that help drive successful outcomes for your TOUGHBOOK® mobile solutions.

Starting with a deep dive into understanding your business needs, we work closely with you pre- and post-sale to plan, test and deploy the solution that addresses your specific challenges.

A MENU OF SERVICE OPTIONS

WHY WE'RE A GREAT FIT FOR YOUR TEAM

- ✓ **A U.S.-based team** of experienced engineers helps you plan, select and test your mobile solution.
- ✓ **A deep bench** of technical knowledge and industry experience helps us understand your needs.
- ✓ **Agile Project Management** methodology ensures that projects stay on time and within budget.
- ✓ **Voice-of-the-Customer** listening means your feedback influences new and improved next-gen products.
