

**TH-SQE2W Series**

# 5 Year Warranty Promotion for Higher Education

Exceptional performance, high reliability and superior image quality have always been a trademark of Panasonic Connect professional displays. We know how important it is to keep a classroom up and running, without any interruptions. That's why, to assist our education customers provide engaging and inspiring learning experiences, an extended warranty on years 4 & 5 for \$24 on any TH-SQE2W Series Professional Display purchase is being offered.

## Panasonic Connect's Top of the Class Extended Warranty Program

When an Extended Warranty is purchased, the standard warranty and benefits coverage, including our advanced replacement program up through the fifth year of ownership of the Panasonic Connect professional display is provided. Registration to the Panasonic Connect ProVideo Asset Support System (PASS), a website providing a multitude of support resources, including manuals, technical documents and the latest product news is also available. Sign-up for Firmware & Software Upgrades and notifications become available to stay informed with the most up-to-date product details.
